

## Door station: 5805c

Part of CAT5 system

**Surface mounted single call audio/video entrance panel, with illuminated nametag section. L.E.D's, for camera illumination for poor light conditions. Suitable for internal/external use.**

### Technical parameter:

- a) Working voltage = 35vdc
- b) Static Current =  $\leq 45\text{mA}$
- c) Camera 1/3" CCD or CMOS (Colour), viewing angle=54degrees, Lense=3.6mm, Min Illuminance=0.1lux
- d) Humidity:45% to 95%
- e) Environment temperature= -25 to +70 degrees
