

**Door station: 5807**

Part of CAT5 system

**Surface mounted single call VR Audio/video entrance panel.  
L.E.D's, for camera illumination for poor light conditions.  
Suitable for internal/external use. Rj45 connection.**

**Technical parameter:**

- a) Working voltage = 35vdc
- b) Static Current =  $\leq 45\text{mA}$
- c) Camera 1/3" CCD or CMOS (Colour), viewing angle = 54 degrees (Colour), 92 degrees (Mono).
- d) Humidity: 45% to 95%
- e) Environment temperature = -25 to +70 degrees
- f) Dimensions = 135mm x 57mm x 47mm
- g) Lock Output = Volt Free Contacts
