

### Door station: CM-06DNS7

Part of CM-06DN system (System Capacity= 2x ent panels, and 4 internal units)

Single Call Vandal Resistant, surface mounted video entrance panel, which has built in speech unit, camera, and L.E.D illumination for poor light conditions. Suitable for internal/external use.

#### Technical parameter:

- a) Working voltage:DC 12V±10%
- b) Static current:≤12mA
- c) Working current:≤180mA
- d) Camera:1/3' CCD/CMOS  
Viewing angel:92.8°  
Min.luminance=0.1 Lux  
Lens:F=3.6
- e) Environmental Temperature:-25 to +70 degrees
- f) Humidity:45% to 95%
- g) Dimension:58x133x48 mm
